Officials from the **Department of Labor and Industrial Relations** assume the proposed legislation would have no impact on their agency.

In response to similar proposals from last year, officials from the **Office of Secretary of State** assumed the proposed legislation would have no impact on their agency.

DESCRIPTION

This proposal requires an on-duty liquor control peace officer, unless working undercover, to immediately present identification to a liquor licensee or employee in charge upon entering a retail liquor establishment. The Division of Liquor Control is prohibited from establishing any rule prohibiting a licensee or any employee of a licensee from drinking in the licensee's establishment or from establishing any rule allowing a liquor control agent to drink in any establishment while on duty and not working undercover.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
